Color Glowing on the Bay

Missing from Mattapoisett Harbor this year was the colorful spectacle of Hobie Cat Weekends because the fleet, from all parts of the eastern seaboard, can no longer find accommodations for their regatta. New Bedford hosted the event July 30 and 31 and the bright sails lined up on the beach near Fort Rod-

dent that he can achieve victory.

Steve sailed to a win at the Smythe Area A eliminations held at the Sakonnet Yacht Club in Little Compton, RI where he finished with two firsts and two seconds. He earned his way to the Division A round by winning the Narragansett Bay Smythe title in Wickford, RI a week earlier. In the division A racing he was competing with race winners from Massachusetts and Maine. The country is divided into 10 divisions and each sends a representative to Houston where the racing takes place August 12 to 19.

Majkut will race in Houston with a boat furnished there by the hosts of the Smythe Cup Finals.

He was competing this weekend in Marion with his own boat for the pure enjoyment of the contest and to keep in top racing trim mentally and physically.

in the fog and the darkness to rescue 11 of the 15 people thrown into the sea and to find the bodies of the two women and the two children who drowned. This was a joint effort which continued for several days and required dedication, concern and compassion from all involved.

Chairman Hubbard expressed the Board's appreciation to those who participated. "We're proud to have you help when a neighboring town needed asistance."

Selectman Bernard F. Talty said, "You'll never know when, with a waterfront in Mattapoisett, we might need these services." Selectman John DeCosta also commended those involved and said "We are all proud of you".

Police Chief James F. Moran said these three officers and private citizen Steven Moran received their certificates in scuba lifesaving techniques just two weeks before using their skills on such a strenuous search. The Chief explained the Basic Scuba Diving Course was given by the Whaling City Scuba Diving Club and consisted of 12 classes of book lessons and on-location lessons, including three open water dives. "They did a great job, and I am proud of them all," said Chief Moran.

MET WITH Police Chief Moran, Fire Chief Donald C. Wood, Fire Alarm Superintendent Paul M. Kelley and Water/Sewer Superintendent William T. Nicholson to discuss the Control Center at the new police facility.

Superintendent Kelley is supervising the moving of the controls from the present police station to the new facility and coordinating the lines from the fire station, sewer pumping station and the water department. Superintendent Nicholson noted the wires to the sewer plant are tripped for problems to the alarm system at the police station.

A comment made by Mr. Kelley to replace much of the present equipment with new equipment was a "complete surprise", said Chairman Hubbard. "I don't know anything about not moving the present equipment-this is news to me." He explained the contractors need to know the type, size and how much

wire is needed to complete the work and he needs the information in writing.

Superintendent Kelley explained the present equipment is ancient and not worth the money to move and it needs to be replaced, and now is the best time to do it rather than moving all the old equipment. Fire Chief Wood commented, "Perhaps we could buy a rebuilt control panel for less money; or go with what we've got for now and replace as time goes on."

Kelley explained the outside pole for the Water Department would need about 3600 feet of wiring; to the fire station, 3100 feet of wire; plus hardware to install on the poles. He gave a cost figure of $30,000 for all hookups with the new equipment.

Chairman Hubbard and the Board objected to the high cost figure and requested Kelley get prices on the wire and hardware for the total job with moving the old equipment.

On another matter, the Board met with Fire Chief Wood to discuss using the motor and transmission in the police cruiser which was burned several months ago and to install them in the fire chief's car.

Chief Wood said his car is a 1985 former police cruiser and has over

90,000 miles on it and the transmission and motor are going to cost money in gas. He said Town Mechanic John Bowman has given him a hard time and indicated he would rather not transfer the cruiser parts to his car. "He needs to be convinced", Chief Wood said.

It was voted to direct Mr. Bowman to move the motor and transmission from the burned cruiser to the fire chief's car. It was noted the burned cruiser was bought from the insurance company for $500. to be used for parts.

DISCUSSED with Board of Health members Chairman Daniel Lee and John Bowman and Donald C. Wood, Health Agent, the condition recently seen at the sanitary landfill by Chairman Hubbard and Engineer Ron Michalski of Tighe and Bond Engineers.

Chairman Hubbard expressed concern with the messy condition. "There was paper flying around and big puddles in the bank. The slope was not covered even though there was plenty of cover material; and what was done was not done properly."

Chairman Hubbard quoted Mr. Michalski, who is working with the Town and the State DEQE, "If the DEQE saw this mess we could be in trouble." The engineer recommended to the chairman that when SEMASS is ready, the town should close the landfill or sell it. The Chairman said, "We don't have enough money in our budget to pay the fines we could have placed on the town. This is a serious problem and has to

be handled."

Health Board member Bowman explained, "We aren't engineers or contractors. We all work and don't have the time to see everything that is happening at the landfill. We never had a problem before because we had a man who knew what he was doing in covering the trash." Board Chairman Lee said the worker is not doing the job and needs to be stepped on. "We will get on this right away."

ANNOUNCED the restrooms are open at Ned's Point Veterans' Park and a police officer is on duty. Selectman Talty said there were 25 boaters there on Saturday and 9 or 10 on Sunday. "Everything went fine and we were challenged only once on the $10. charge for each board, by a group for New York."

Selectman Talty noted some boaters may be going to the Reservation Beach area. Selectmen DeCosta and Talty went to Reservation Beach over the weekend and saw 15 cars; 13 from out-of-town. There is 335 feet of beach and they are launching from there, Selectmen added.

The Board discussed whether the town can regulate the beach area that belongs to Reservation Club. "I doubt if we can regulate that area but we can check with Town Counsel on the town's legal stand."

RECEIVED the resignation of Ralph E. Wordell as Water/Sewer Commissioner, effective August 15, 1988, due to relocating to Florida. Selectmen accepted with deep regret and commented on Mr. Wordell having served 19 years, the longest length of service of any of the members. "An excellent worker, and he will be missed," said Selectman DeCosta.

Mr. Wordell wrote, "It has been my privilege and pleasure to have been able to serve the town over the years and I shall miss Mattapoisett very much. I also wish to thank the Selectmen for their cooperation over the years."

Chairman Hubbard noted the Town Clerk will have to be notified, then a replacement will have to be chosen in 30 days to fill the unexpired term until the next town election.

MET WITH Dr. and Mrs. F.R. Phillbrook of 3 Pearl Street who are seeking to have a parking space painted to designate a handicapped parking space in front of their home. Mrs. Phillbrook said they are year-round residents, and, even though there is a handicapped space next door to them, there is also another handicapped person next door.

Selectman agreed and indicated they were under the impression the Phillbrooks were summer residents and the Board was going to place a removal-type handicapped sign next to the space for the summer.

ground fuel tank at Leisure Shores Marina requested by Robert and Mary Ringuette from Fire Chief Wood.

The Chief informed the Board the State Fire Marshall's office does not need to study the plans for the underground tank installation and that unless the tank is above ground and 10,000 gallons or more, the Fire Marshall does not need to see the plans.

WERE NOTIFIED by the Housing Partnership Committee that the committee voted unanimously to ask the town to pass a resolution at the next town meeting to submit a Home Rule Petition to the Massachusetts General Court authorizing the town to collect a land transfer fee for the purposes of establishing a fund for both open space and affordable housing. Forty-six towns throughout the state, including Marion and Dartmouth, have already voted to request such authority. Selectmen agreed to place the request on the warrant for the next annual meeting.

VOTED to give their support to Plymouth County Cooperative Extension in urging the town's delegate (Selectman John DeCosta) to the

SOLARSHIELDS

SOLARSHIELDS give far more comfort as a sun-lens than normal sunglasses. Whether hiking, fishing, sailing or relaxing at the beach, the non-prescription goggle fits easily over glasses or can be worn alone. Skiers, golfers, pilots or anyone concerned with top performance can benefit from a total UV sunscreen - and enjoy the comfort.

Photophobia:
Some people are more sensitive to light than others. For those in need of a "serious sunlens," the SOLARSHIELDS offer complete UV absorption to 400 nm and a choice of tints for comfort in the visible spectrum. Even with a dilated pupil behind the dark tint, the eye is fully protected due to special UV filters in the polycarbonate material. Top and side shields screen out all incident light.

For Cataract Patients
The aphakic eye is extremely vulnerable to postoperative retinal problems if not protected against hazardous ultraviolet radiation.

SOLARSHIELDS replace the same UV filter lost with the removal of the crystalline lens. Immediate comfort and complete retinal protection from UV make SOLARSHIELDS an excellent addition to standard post-operative procedures.

They will ask for volunteers who will have from 4 to 8 hours of training in shelter management. They plan to name a coordinator for another meeting in August so all town departments will know the plan of action if the storm warnings zero in on this area. The Council on Aging will be alerted to inform their clients about hurricane preparedness and possible evacuation.

Susan Peterson and David Todd of Ocean Arks appeared before the meeting to present the Selectmen with information concerning the new space age technology for treating waste water. The Selectmen are interested in following up on Ocean Arks information and will observe the concept where it is working in Harwich. It is a biological system.

(Department of Environmental Quality Engineering) will complete the analytical work on the Marion treatment plan by the end of September. Aucoot Cove outflow continued to test at acceptable levels.

Selectman Ted Pratt asked Executive Secretary Ray Pickles to contact the state about planning sodium infiltration controls to address the problem of elevated sodium levels in Marion ground water which are caused by excessive salting of the major state roads which go through Marion. Although the road salting is a temporary measure in the winter the salt continues to seep down to the ground water and town wells year-round.

for an all alcoholic license for August 6 was received. It was explained that there will be no alcohol served but the church must have such a permit in order to secure liability insurance for the day. It was voted.

The walk area on Converse Road has been completed and the white line added at the edge of the blacktop but many people still walk on the side of the street which has no designated walk way.

Chairman of the Board of Health Loretta Schaefer was questioned by local realtors about the proposed new Board of Health regulations - specifically the ruling which would require that any septic system must be uncovered and inspected before the sale of the property could be completed. After considerable discussion Chairman Schaefer invited those concerned to voice their concerns at the public hearing scheduled for August 30th. Selectman Pratt will visit the Town of Chatham where such regulations are in force and determine whether these are reasonable regulations. Chairman

Schaefer stated that there will be copies of the new regulations available at the Town House and any interested parties are invited to pick up a copy.

Ray Pickles asked that the water restrictions be lifted. Selectman John Hoagland suggested that, because the water quality has improved under the present water usage, the present restrictions be continued. The Board will address the issue at a later date.

Mr. Pickles also reported that the restaurant inspections have been completed. The testing for the cause of petroleum seepage in the Maple Avenue drainage ditch now seems to point to the possibility of a leaking gas tank on an old vehicle in the area. Analysis showed that it is not home heating fuel and it is localized so it did not come from the gas stations in the area. It could be from five to ten years before the gas has completed leaching through the soil and there isn't much the town can do about in

LETTERS: From Harbormaster George Jennings requesting the appointment of Norman Reid and Mark Southworth as Assistant Harbormasters. It was voted. The two men will work part-time on an as needed basis.

From the Marine Resources Commission (M.R.C.) re: the restoration of Island Wharf. The M.R.C. recommends that the town accept the bid of Linberg Marine, Inc., which was for $139,600. The Selectmen advised that the M.R.C. hold a public hearing prior to a final decision

because there would be additional funds required from the voters at a special town meeting, possibly in September. They advised that the M.R.C. consider a contract with Linberg Marine which would authorize the job up to $125,000. This would complete the outside perimeter of the wharf. It was suggested that the D.P.W. might be able to complete the job of work on the wash-outs and sink holes and repave the blacktop. Commission member Toby Burr was given credit as Project Leader.

From the Finance Committee, a statement that the Finance Committee will make a recommendation re: increased costs of Blue Cross/ Blue Shield for town employees in September after free cash has been certified.

From Nathan B. Nye, a notice of his resignation effective August 8, 1988. It was voted that Mr. Nye be paid 60 days of his remaining sick leave as a severance in one lump sum. He will be invited to the August 8th Selectmen's meeting to receive the best wishes and thanks of the town for his 24 years of service.

"THE POWER OF OUR MINDS TO HEAL"... A Practical Application".

Dr. Edward P. Jasparm, who conducted two Coterie sessions last Spring of "The Power of Our Minds" and "The Power of Our Minds to Heal", will return this Tuesday, August 16th, to present a "practical application" that persons may use to their (and others) own benefits. Some of Dr. Jaspram's "teachings" have been met with both acceptance and some skepticism. His presentation will attempt to further explain and demonstrate the validity of the subject. The Marion Coterie meets on alternate Tuesdays at 7 p.m. in the Library of St. Gabriel's Episcopal Church in Marion.

A Letter to David Hagen

Dear Dave,

I want to thank you for the things you've done for me. Thanks for getting me a job when I was sixteen and loaning me your car to get there.

Thanks for encouraging me to go to college. Thanks for the letters recommending me for schools, scholarships and jobs. Thanks for taking me to dinner when I had no money. Thanks also for always remembering the names of my children. Thanks for the surprise visit to my classroom when I became a teacher. Thanks for the hundreds of jokes and your cheerful smile.

Thanks for your firm handshake each time we met. Finally, thank you for being the perfect friend. I will miss you.

Yours for a fair tide
Andy Anderson

Another larger town to the east of us had a blood drive at the same time as ours and they didn't fare as well, which goes to show that MATTAPOISETT IS still SPECIAL.

We are planning another drive (no more in mid-summer) in February 1989 so those who did donate (and those who couldn't because of the heat or for other reasons) mark your calendars.

LETTER TO THE EDITOR

I see in the newspaper that a new dimension to consider in schools-perhaps other public buildings -how many years are they designed for?

An architect said Old Rochester Regional was built to last 30 years.

From now on should the architect ask how long we want him to plan it for - different costs for different planned times - shouldn't the state who planks down a good

part of the money be interested in what they are paying for?

I wonder how long the old Center School was built to last - or the Town Hall?

I remember reading years ago that some of the newer buildings were designed to make it easier to tear down when needed.

Also, with a new school building should come a "hang on the wall" marked "potential trouble spots to watch and properly maintain to avoid huge repairs and rebuilding".

It's hard to envision that all the inside and outside doors need replacement. Weren't they made of durable materials in the first place? Why couldn't a program be looked into where manual training classes could work on wood doors, a vocational metal and machinist class repair metal doors.

Why in a supposedly well designed building do great big blobs of electrical systems have to be replaced?

If the offices and nurses need a million dollar area to gain any support a very graphic-pictorial presentation should be made - how needed space has become vital for the approximately same size school as originally designed and what necessitates the nurses needing more room than was originally designed for them.

Is every bit of the pavement gone "Gally West"?

If a building for offices were built between the two schools, how would the architect build in the right number of "lasting years"

Veterans' Up-Date

All veterans of active service since 1944 are aware of the various GI Bills that have been available and used for education. More than 20 million Americans have received educational benefits totaling $69.7 billion in the past 43 years, but did you active, and potential, members of the Active Reserve of all branches of the Armed Forces know that you can receive educational aid under the Montgomery GI Bill.

After three years' Active Reserve duty in either the reserves or National Guard you can be provided up to $5,050 for 36 months of college studies. For further information contact the VA Regional Office at 1-800-556-3839.

August Museum Exhibit

WHALESHIP PICTURES

The interesting display at the Mattapoisett Historical Museum this month features Henry Kettell's collection of pictures and histories of 35 whaleships that were built in Mattapoisett from 1822 to 1877. As one can imagine, obtaining pictures of such ships is not easy as photography is a somewhat recent art.

From pre-revolution days to the late 1800s Mattapoisett was a world-famous shipbuilding center. There were as many as eight shipyards building whaleships and merchant ships along the Mattapoisett Harbor shoreline. Imagine the hustle and bustle when 300 men reported for work in the yards. With a fine harbor, miles of virgin timber, and a ready market nearby for vessels Mattapoisett was a natural for shipbuilding.

It was this industry that moved the center of population of Mattapoisett to the harbor. Originally settlements of farmers, millers and cattlemen were on the Neck, and up the Mattapoisett River. However, shipbuilding proved more profitable and the shift of occupation and location took place.

Do plan to spend an afternoon at the Museum....corner of Church and Baptist Streets in Mattapoisett... it is air-conditioned and has something for most everyone's interest. During August it is open Tuesday through Saturday, 1:00 to 4:30 p.m. Adults, $2.00; children, $.50 and members and their guests are free.

Tobey Art Exhibit

A series of floral pastels by artist Lewis Hammond Stone of Mattapoisett is the latest exhibition in Tobey Hospital's Art Partnership program.

An accomplished artist, Stone has exhibited widely in New England. He has staged one-man shows at the DeCordova Museum in Lincoln, the Brockton Museum of Modern Art, the Providence Art Club and at private galleries in Boston and Newport, R.I. His works were accepted for the New England Exhibition of the Cape Cod Art Association held July 12th in Barnstable.

Stone has also released some limited edition prints. "Beachwalk", depicting a scene at Newport, R.I. beach, will soon be released in a limited edition of 500 prints, one of which Stone has generously donated to Tobey Hospital. Stone's "Black Ships", print was the official poster of the Newport Black Ships Festival and is available in a limited edition printing.

The artists' "Pastel Florals" show was first displayed at the Newport gallery in 1987 and received wide critical acclaim. The works are vivid expressions of color, ranging from bright poppies and

sunflowers to pale daffodils. The works were all custom matted and framed by Stone's wife, Martha.

Stone has studied under artist Patricia Beckendorf of Cambridge and studied watercolor with Marcelle Casavat in Boston.

The artist's works will be on exhibit at Tobey for the next few weeks, and range in prices from about $100. to $850. for a large painting. Part of the proceeds from any sale of the paintings will benefit Tobey Hospital.

Heritage Plantation

BANJO DAN & THE MID-NITE PLOWBOYS

Banjo Dan & the Mid-Nite Plowboys will perform at Heritage Plantation of Sandwich on Saturday, August 13, at 7:30 p.m. on the Outdoor Concert Green.

This Vermont bluegrass group performed at the Museum a few years ago, and because of popular request, will return for this engagement.

"Banjo Dan" Lindner contributes much of the original material for the group. Music is drawn from life in New England as well as such traditional sources as Appalachia. Over the past decade, "Banjo Dan and the Midnite Plowboys" have performed in a variety of settings throughout the northeast part of the country.

Funding for this performance was provided in part by a grant from the New England Telephone Company, The National Endowment for the Arts, and the Massachusetts Council on the Arts and Humanities through the New England Foundation for the Arts.

Membership, as well as admission tickets to the Museum for the day,

SILHOUETTE PORTRAITS

Silhouette portraits by Sally Newcomb, silhouette artist, will be featured during the week of August 16 through 20 from 10 a.m. through 5 p.m. daily, by appointment only, at Heritage Plantation of Sandwich.

Fun to watch being made, fun to collect and display, and a thoughtful gift that is sure to be treasured, Sally Newcomb's portraits are a centuries-old American tradition.

Available by appointment only, Mrs. Newcomb will cut the profiles of your cat or dog, child or grandchild, or every member of your family. Following the methods of the traditional "shadow-maker", she sketches first and then cuts the profiles with a pair of sewing scissors.

Mrs. Newcomb has demonstrated her work on television, and at the Greenfield Village and Henry Ford Museum in Dearborn, Michigan as well as the Chicago Historical Society. Last summer she was sponsored by the Nantucket Historical Association and the Peale Museum in Baltimore.

The fee schedule is as follows: head of man or beast, $12.; duplicates, $5.00 each; full human figure, $22.00; duplicates, $10.00 each; full figure dog or cat, $10. - $22.

Coming to Zeiterion

ZEITERION THEATRE'S SUMMER SEASON CLOSES WITH "42nd STREET"

"42nd STREET", one of the most lavish Broadway productions in the past 50 years, is the final production of the Zeiterion Theatre's Sizzlin' Summer of American Broadway Musicals. This all-singing, all-dancing extravaganza is the legendary story of the chorus girl who becomes an overnight star on Broadway, with a lot of dazzle, dames and hundreds of dancing feet.

"42nd Street" will be presented on Thursday, August 18th, at 8:00 p.m. Friday, August 19, at 2:00 and 8:00 p.m.; and Saturday, August 20, at 2:00 p.m. and 8:00 p.m. Evening ticket prices are $20.00, $17.50 and $15.00 with matinee ticket prices at $17.00, $14.50 and $12.00. There is a $2.00 discount for senior citizens and students for all shows. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

"42nd Street" dazzles the audience from the very beginning with

its breathtaking opening number of the rows of dancing feet as the curtain lifts. Michael Stewart, who collaborated on the book with Mark Bramble, had the original idea for the musical when he saw the old Warner Brothers classic 1933 movie, "Forty-Second Street". After securing the rights to the original novel by Bradford Ropes, Stewart and Bramble went ahead with their plans for the lively, frivolous musical.

"42nd Street" opened on Broadway in August 1980 to an enthusiastic audience, and the show won the 1981 Tony Award for Best Musical along with rave reviews from all the press.

The music by Harry Warren (composer) and Al Dubin (lyricist) has that quintessential Broadway beat and brass featuring those memorable tunes: "We're in the Money," "About a Quarter to Nine", "Shuffle Off to Buffalo", "Lullaby of Broadway", and the title song, "42nd Street".

All three musicals this summer are produced by the Zeiterion Theatre. The creative team is led by Artistic

The 8th annual Flea Market, sponsored by Wareham American Legion Post 220, will be on August 13th from 9:30 a.m. to 3:30 p.m. at the Post Quarters on the corner of 777 Main Street and Tobey Roads, Wareham. There will be baked goods, cafeteria facilities, crafts and rummage. Activities are both inside and outside. This will be held rain or shine. Tables may be obtained for $10.00 by calling 295-1876.

Centre Street Festival

For the 13th year one of New Bedford's smallest streets becomes the focal point for one of the summer's most popular festivals, as the Centre Street Summer Festival takes center stage for the weekend of August 13-14 in the City's Waterfront Historic District.

Produced by the New Bedford Preservation Society, the festival began in 1976 as a way to showcase the then newly restored historic district. Now, the summer tradition stretches the length of Water Street and part of William Street, as well as Centre Street, but it's still the place to come to find some of the nicest handcrafted work, some of the best entertainment and some of the best food to be found in southern New England.

Between 60 and 70 craftspeople, all juried, are expected to exhibit

handmade items, ranging from traditional handwoven placemats to handcrafted boomerangs. And, while the craftspeople come from throughout New England, Florida and New Jersey, the festival has tried to encourage local craftspeople, in particular, in exhibiting their wares.

As in other years, the entertainment will run to traditional, with the loading dock of P. Kaller and Son on Centre serving as center stage while the Hiller Parking Lot on William Street will be set aside for children's entertainment including afternoon puppet shows by King Kid Puppets.

last year. The class is located in the Sippican School and will be held Mondays through Thursdays from 9:00 a.m. to 1:00 p.m.

Enrollment is open to any Marion or Rochester child born in 1984. Preference will be given to children who have no pre-school experience, children from low income families, special needs children, and others in need.

The program is staffed by a certified early childhood teacher and an aide. Home visits are an integral part of the program with the teacher visiting each student's home approximately monthly. Unlike last year, transportation will not be available to students for the 1988-89 school year.

A recent mailing, based on town census information, was sent to all families with age-eligible children. If you did not receive a mailing and are interested in applying to Project GROW call the Office of the Superintendent (758-2772). Priority will be given to applications received before Friday, August 26th.

New Bedford Glass Museum

COLLECTORS' CLASS

The New Bedford Glass Museum will offer a master class in glass identification and connoisseurship, held August 15th, 16th and 17th.

The three-day course will cover glass history; how to identify glass, its condition and quality; and will include a one-day antique shopping trip to northern Massachusetts. Led by Museum Director Janie Chester

What Buzzards Bay Means to Me

The following essay by Kerrin Rocha, grade 11 Old Rochester Regional High School, won second place in the high school category of the Buzzards Bay Day Essay Contest.

WHAT BUZZARDS BAY MEANS TO ME

Buzzards Bay to me is a road to my dreams. When I'm near this body of water, I feel a sense of security. It drowns me in solitude no matter how much confusion entangles my head. It's a place where my mind can run free and my soul can rest in peace.

The Bay's rich blue glisten promises change and its watery depth ensures

a future. It never runs away from new explorers; it invites these curious wanderers, never once discriminating against race or color.

There is a lot of hope here, for the Bay is constantly teaching us whatever we want to know and guiding us to wherever we want to go. But we still need to continue to explore. There is a great amount of knowledge hidden deep.

Creatures of all kinds are welcome to visit here in this land of the free. It supplies us all with food and some with a place to live. It nurtures us and keeps us well.

Buzzards Bay is more than home to me; it greets me as a friend, never turning away from me when I stop by its side to spill my problems. I know I will always find an open path when the time comes to cross to newer lands.
